Subject:	GIV Borescope

Jeffrey
Kathleen is asking the reason for wanting to accomplish a borescope,.since w= are 1.5 years away from Shop visit.
Note:
There was an in-flight shut down of a GIV engine 2 weeks ago,. Not internal f=ilure,.
 Cause, fuel Flow regulator,. When the pilot moved the throttle, the engine d=dn't respond,, they elected to shut the engine down,.

How should I respond to Kathleen?
-Saftey of flight concern?

Thx
Larry
