I'm at an ER in NYC - I've been sick. I'm about to have a CT scan. I calle= JP and he said that he basically perused Erika's letter but he has a "real=y full plate this week" so has not had a chance to read it in detail and re=lly won't have time this week.

I asked about allowing JE to cleanup and get the water tank over there while=they deliberate. He said that he did not see the urgency despite the fact t=at I pointed out that the weather is getting drier and drier ergo a fire ha=ard. I asked if he will look at it next week and get back to you then and h= said he would try.

With warm regards,

Cecile
