We will support him, I truly believe that Dupson and hi= team can do this, but if Chris is going to have oversite, this will be ve=y disruptive

We will try and make this work, but Chris needs to =et "his act" together and work with the team on the ground=/div>

Good Evening Anna

It would be more efficient that Chris works with the team on t=e ground to get this completed  
Chris needs to be on the Boat to LSJ at 7am, once on site we will re=iew project as you are aware there are many pressing projects which need t= be worked out to insure everything is completed in a timely manner

Chris needs to work with the team and the limited equipment on site =hich we will discuss once he arrives
