Hello Bella! So here&=39;s the link to Apple Store. This is the MacBook Pro 15 inch with the str=ngest processor and more operative memory than the other ones. It's ex=ensive but is worth it for the image rendering purpose. So we need to see =hat Jeffrey says. Regarding the software I was advised to talk to the prof=ssor when I come to my first class.

Thank you so much for your help!
