Subject: Re: Dock Location

Not sure how to get usable road to it

On Thursday= 5 May 2016, Amy Dempsey <[REDACTED]> wrote:

Could you live with a dock at the location in the attached picture.=C2♦ We can make this work there is one large ESA listed coral but we can=work and avoid it. There are other corals but we can work with =those. The area has rock and it will impact construction methods but=there is plenty of water depth and plenty of room to work with. I sa= there is a new road (path) cut to this area so I know its accessible.
