Subject: Fwd: slabs for 9 e 71st

i just spoke with Peter and 2nd slab is in the range of =20-\$25 per sq ft he will have to check on pricing =s it us from Italy and currently does not have in USA inventory =ow Peter estimated that if we did marble exactly =s room currently looks it would be approximately 1000 sq ft or \$20,000 = 25,000 material cost Peter is reaching out to an =rchitect to get a price on doing a CAD drawing for you

Hi Rich

See attached photos I thought matched well =ith what we are looking for on 9 E 71st. Two different marbles.
= The first is a crema marfil , the second is bottocino classico. =nbsp;

Thanks
