i dont want to embarrass alan, and get in a contest i= which leon pits me against him then blames you. i= seen this movie before. Ithat think a written ex=lanation should suffice, Leon will try to avoid the issue of p=ymnt and take out his frustration on one of us. it is a misdirection=C2 . that usually works. . the " you shoul= have known" he will attempt to ignore tens of emai= laying out the time line and details and my contemporaneous notes=of conversations sent to him. . IT is clear by repeated emails , that our original dea= resulted in a payment that i knew he

wouldnt make, we had agr=ed 50 % of phaidon. my numbers were always the same. alt=rnate ways of paying it were discussed and presented. he=said he and wechsler needed the details. and no worry we would deal with the pay=ent after. . my contention is that after the transaaction was =complete and only after did he say , no your number is wrong. his pos=tion is " he said he never agreed to it." so he is not bound, i said you cant take a work , knowing the price, =A0 keep it, and then say ill only pay 33 % , because brad an i think it th= right number. . . All easy ,
