You might recall that we "met" by email and on the phone a couple of years ago, originally through our mutual friend Bernard Kruger. =AO

I have a question for you. I am preparing a lawsuit against the =ward County Sheriff's Department. I am looking for a good and =rustworthy private investigator there who will not undercut me with the Sh=riff's department because of ties there, etc. I have a couple of=candidates; but someone recently referred me to one in Davie, FL who this =erson said would fit the bill.

When I went on the guy's website, however, I see that one of the t=ings he apparently holds out as a highlight (it is on his "press"= page) is a series of stories about your case. I assume the guy was =n investigator for the other side in the civil case - the group that set y=u up.

His name is Mike Fisten and his company is Blueline Investigations. =AO If he is someone who you encountered and he was a bad guy or out to get=you, I would not want to use him. Even though we don't really kn=w each other, I very much liked you when we spoke and I would not want to =ive business to someone who had gone after you and you think is a bad=guy. If on the other hand, he was a decent guy just doing his job, p=rhaps it would be ok. I can't tell enough about it from his webs=te.

Any thoughts on the guy?

Meanwhile, I hope all is going well for you now and I wish you a happy=and healthy new year.
