i dont want to embarrass alan, and get in a contest i= which leon pits me against him then blames you. i=e seen this movie before. lthat think a written ex=lanation should suffice, Leon will try to avoid the issue of p=yment and take out his frustration on one of us. it is a misdirection=C2 . that usually works. . the " you shoul=

have known" he will attempt to ignore tens of emails laying out the time line and details and my contemporaneous notes of conversations sent to him. . IT is clear by repeated emails , that our original deal resulted in a payment that i knew he wouldnt make, we had agreed 50 % of phaidon. my numbers were always the same. alternate ways of paying it were discussed and presented. he said he and wechsler needed the details. and no worry we would deal with the payment after. . my contention is that after the transaction was complete and only after did he say , no your number is wrong. his position is " he said he never agreed to it." so he is not bound, i said you cant take a work , knowing the price, =AO keep it, and then say ill only pay 33 % , because brad said i think it the right number. . . All easy ,
