1 . The audit has brought to the fore the =ack of your office quality that i have been violently squawking abou=. ie . children playing at at adult game. It is in=onceivable to me that John castrucci is still there ,=C2 joslin part time. , joe mistake after mistake and brad t=e corporate bandleader talking about the office's finance team, =ccounting dept, directing wendy to do things that make no sense for =ou ? lits nuts . non existent IT dept. though it was the=first thing on my suggested list of things to be done =C2 \ no trading accounts to speak of , though its pro=hylactic quality has been discussed now for three years. As yo= said you wanted to save money by not paying me my high fees. . =A0 the result was predictable. now you have a choi=e a simple choice. very simple .

=C2 you either hire my team , they come in for t=o weeks -they will review procedures and practices. . set up ,=n up-to- date accounting system, , computerized timelines for=filings etc. . household classifactions and report=ng that makes sense. The price for my work has =A0 not changed from day one. 40m per year, I m willing to discount =o 30 m as I did give you a bad number and should pay an embarassment fine.=C2 Im also aware that you have paid what you consider a great de=l of money, though, as you know , in my mind. you have far and away=recieved way more than our agreement called for. please remem=er that you and i agreed no more demands on my time after the last p=yment. no more - so called after care etc. I stepped in=as you had a mess on your plate and have worked many many hours =A0 because of our unique friendship. by the way , please be a=sured I make no judgement on any of your activities , whether=or not i agree with it. not my role. my role is, protection f=rst. no matter what you do.

2. you can =ecide that brad , tom can oversee your audits . they are sensitive t= the issue at hand. alan can be brought in but i would be extra car=ful having paul weiss given access to entire story.
