Hi Jeffrey, Dylan Love here.

I thought = might try to pop back on your radar. I'm in New York next week to vis=t friends, meet my editors, and attend my cousin's wedding. I'm ar=iving on the heels of some work travel in Zurich and Moscow before heading=to DC the following week.

I wonder if you received my letter a few months ago. I enjoy=d our conversation last time we met, and would be happy to meet again if i=s interesting to you.

Hope to hear from you,=div>
