Two things here

President Qiu of Tsinghua university can meet you in New York City on May 7, Can you do it ? You can learn first hand on what may happen .

As for Conan , he like to meet you and depends on your time. He left his position in HK for nine months , expecting to help you . But is surprised that you only see him one time . I believe that he is not paid by his university on this part.

Best regards

Yau

Dear Jeffrey, I wonder you would be interesting to meet president Qiu of Tsinghua university,
If so , you can either come to Boston to meet president Qiu on May 6 morning=or find some time to meet him in New York City
By the way , Conan Leung said that he has not met you for a long time .
