I actually just switched schedules so we can be over there today. We are=going to try everywhere that is accessible from land. And yes I understand your concern. There are simply too many people in Christmas Cove. You know that old boat that was tied up to the old piling broke an=ESA coral. I am letting enforcement know. I'll call in you=a bit when I get out of the apartment, the phone doesn't work worth a =arn in here.
