Lets start. =AO I am aware that you are currently angry at the world. . =AO me karp wechsler. all willing absorbers of the heat. (though you ,calling m= ,Debra , took away some of the the sting) I am =orry to see you this way.

emblematic ; I w=s asked to opine on whether to hire castrucci. an hour after I g=ve a preliminary yes. . I called you then texted you that = had thought more about it and changed my mind. The next day b=ad called and asked for my vote. I told him ,in no uncertain t=rms it is a no , I categorically vote no. =AO I called you . you came to see me . I sai= it was a bad idea. you said you were going to do it anyway , = said and followed up in writing IT IS A MISTAKE . and added =lease don't come back to me with anything suggesting otherwise ,=you and I should be clear I think it is wrong . A very strong NO .=C2 you of course can hire whomever you like.

e=rly on I told you I thought Tom remarkably careless . Eillenn goofy and your art l=wyer not well informed to say the least. you told me Tom was a senio= partner. Eileen had headed the trading desk , and your art guy wrote the =ook. I said I thought you deserved better ,should get better p=ople and no , I am not an HR person. yesterday you told me that the =eason you have hired whatever available was to avoid being dependent on me= (by far , not the best place to save money)

Joslin who you =say I hired . I did not find With a two person given choice l=approved josli= over some woman that eileen preferred. against my repeated advice=C2 you and =ileen decided to pay only under 300k . I told you at t=at time that I would personally pay the difference for higher =uality. that was years ago . I have sent over a hundred=emails to you clearly saying he needs to be managed by professionals= initially , that referred to Eillen and Ada.and after, =rad. john etc. THere are at least a few emails each and every =onth from me, telling you , he is slipping failing cracking =AO fragile. . crazy, nuts, heading towards incompetence. Unless YOU =AKE ACTION! when I pressured him for accurate numbers , you t=ld him, to tell me, that he works for you and NOT for me. . When I c=ntinued to press for accuracy from your office , you told me that the= were now all afraid of me and i should let brad communicate any req=ests, (you now tell me " we know what Brad is"?). When I told y=u you office needs to be reviewed and changed you told me i was bein= destructive rather than constructive. when i ultimately conf=onted joslin</=pan>, in an attempt to protect you, told him that his numbers were w=ldly inaccurate , you told me that i had caused his ultimate resigna=ion and now have an affirmative obligation to help.
=/div>

I did give you a bad number , and apologized as soon as i r=alized it. an error that was an embarrassment for me , t=e fact that that the accurate number is still way below what you agr=ed to pay , has fallen by the wayside.(the preposterous argument th=t the end of year transaction was Alans idea , which you now know was not tr=e and that me not receiving Phaidon documents was unexplainable. was your ju=tification for non - full payment)

Hopefully You =ill recall that when you initially asked for my help. I declined rep=atedly with the admonition that that having a financial arrangement may =AO jeopardize our friendship (as you will be unhappy paying what you=will view as a large sum. while choosing to ignore the financ=al benefits,). In Bedford , I repeated my concern. It is distressing to me=, I have done my utmost to keep you safe. =AO and will continue to do so. reckles choices in accounting or otherwise do=s not bode well. at each turn I have put your interests first many t=mes including fighting your choices.

your current circumstanc= needs nuanced attention. whether it be , having Ada , f=rm gratsphaidon without review. payments make without re=iew.merely in order to be weaned , is a high risk choice. review of =outside accounting firms , CANNOT be done by brad. =o have your accounting dept sit in on Alan trust accounting lecture = in order to learn the filed is reminiscent of elileen reading the tax =egs. (she also was going to take a course)

I a= here in New York today. should you like to resume
