scheduled for thurs eve woody and bannon. .♦=A0 want to join?

I suggest when you speak wit= Leon , you have no need to deal with the facts. i=would just tell him that you were surprised at how disrespectful he was.=C2♦ and that it is silly, and potentailly counter prod=ctive. , given the complexity of the transaction that they are looking at =oing. . odd that its only about money, .♦=A0 you will see that as he does not want to admit to being wrong .=C2♦ , he will come back and say i deserve something for phaidon.=C2♦ just my guess.
