Yes, we close from the outside, but I thought it would be a nice="look" from the inside to have curtains on the non-operable windows we left.

I have attached a sketch floor plan to explain better the concept.  
Please let me know if you agree with this concept. =/div>

We added the curtains.

Please see attached file with list of furniture for current spaces.

I have a doubt on 2 areas that you mention you wanted a lis= of furniture:

-Master terrace: Are you referring to the former =damaged floor) Master Room? That I assume will be fixed and re-furnished?<=div>

-Library: Is this your current existing office space? Where there=is a terrace seating with an "aquarium art on wall"?

<=r>

Please let me know if this correct and I will send you a list=of furniture for both these areas.,

Thank you,
