Just finished lunch with Kevin,.and another colleague named Mike. I had the f=eling Kevin was not going to be frank with me while Mike was present.
We talked about all G550's
ForSale, and was pushing the 2004 G550 he sent yesterday,. the first 30 min=he avoided any mention of 5017,. Finally I asked what was update on that pl=ne,. He said his contact at GE was on vacation last week and needed to call=him,. After lunch While walking to the car, Kevin said, "we need to find an=ther plane for you", and gave me a look of GE capital didn't want to do bus=ness with us in my opinion. I could tell Kevin wanted to tell me something= but couldn't say it without getting himself in trouble.
I told Kevin we heard Mr Black was in market for 550, and we had good relati=n with Mr Black,. Kevin said his office deals direct with Leon as well he t=ought.
