Jeffrey, Kevin has not answered my email from yesterday.

Religiously since January 2016, GE Capital flies there G550 approximately one=hour, each month around the 24th,. So I would assume they are ready to do a=Nother test flight the end of this week, would be a great opportunity if we=were able to go on this test flight to solidify your belief in a G550

The aircraft is located in Pontiac Michigan, this airport is an airport of e=try with US customs so we should be able to preclear St Thomas and arrive i= Pontiac Michigan I will confirm that shortly

I'm going to meet with Gulfstream and sales rep regarding G500 here in Palm b=ach, I will send photo shortly thanks  
Larry
