do we center it instead

Best Regards,

Eric

Something like this?

I don't have that divan in the berthed position. Also not sure if=the heights will line up without mods.  
Thanks,  
Maurice

Maurice can you illustrate if we were to add a +-40" game div=n (like NGHEY) to the fwd part of the Falcon berthed divan- it would occup= the area where the LH 3 seat was. Obviously reposition the fwd arm =est forward to creat the extra long divan.

Thx!

Best Regards,

Eric
