I feel bad that I couldn't give a straight answer...;)=div>

I mean...the usual of that sort... tall, skinny, long m=usy brown hair, chanel purse, too much makeup, slightly bad skin, not ugly=but not cute enough to be around you for too long, terrible attitude like = dark cloud (I was still nice and polite to her just in ca=e)

I don't want you to miss out if my judgeme=t of looks were to be wrong ;)) I can only speak for my judgment of behavi=r. :)

Adore you!!
