ok. issues are simple. . 1. he has been kept safe to date ONLY as a result of my maniacal devotion to friends.&#x2013; Ana interview was canceled AFTER it was on the official request.

2 The big transaction netted him/ family 600 million in real after tax savings. . 3. He maintains that his fees should have been deductible. which they were. but acknowledges at the same time they were to be used ON a sale of stock or to reduce other gains. 4 He says you agreed to the 20 m total. , though you did not have the knowledge of our 27percent of savings. nor that phaidon was to be paid at 50 %. I told him as the fee would be&#x2013; 50 -60 million. he could throw in phaidon. He now says, you said phaidon was free. . ignoring the " only as a concession to a large payment. . he recalls all of the benefits but none of the liabilities. :) and last = said I would accept his fee. but NO MORE advice or help, if = as going to steal my idea, only agreeing payment AFTER the transaction was detailed and completed. and then saying its only 20 though there are 1= emails discussing the amount should be over 100 but i will take a smaller amount. not fair, I told him had he said he would only pay 20, where phaidon alone is 18. &#x2013; He then said after the 20. ( i requested in writing that you he and I sit down five days into 2016. &#x2013; that I still owed him " after care" , &#x2013; , As you know, alan and I have a different recollection, but i wanted him to put in writing so that there is little wiggle room.&#x2013; it makes no sense for him to do so however if leon will simply ignore it. I also suggested that you be the final arbiter= and i would agree to any number you determined is fair as friends sometimes have disagreements, so a procedure to resolve is appropriate.

anastasias version and magnus is bogus. , i told him no reason to sherrylock holmes it. = in order to give him plausible deniability. .
