Jim,

I just had a brief Skype chat w/ Jeffrey Epstein about our "Prime AGI" project, and have sent him our various draft materials.

He's curious to talk to you via Skype about the project.   Hopefully you guys can set up a time sometime soon.   You're both on the same time zone so it shouldn't be so difficult...

Sorry to miss the conversation myself, but hopefully we can all get together F2F in the not too distant future ;)

thanks
Ben

"I am Ubik. Before the universe was, I am. I made the suns. I made the worlds. I created the lives and the places they inhabit; I move them here, I put them there. They go as I say, then do as I tell them. I am the word and my name is never spoken, the name which no one knows. I am called Ubik, but that is not my name. I am. I shall always be." =- Ubik <?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
