My salary includes: reorganizing all the products on website, weekly updates of social media analysis, sending pictures to press, uploading the press on their database, updating the menu and promoting the brand.

If they want to use me as a photographer as well they should pay me more and if they want to use my external contacts to make business they should also pay me more. It's not written on the contract that this is included =/div>

i would suggest you ask questions , especially in fields you know little if anything about ( biz) instead of making these bold stupid statements that will again make it impossible for a firm to keep you , i reread the contract and you can be fired without notice.

But it's not fair. They are taking advantage of me. Because if they make deals out of my contacts what is it that I get in return excepted for being fucked ?! I'm happy to bring people BUT if they make deals with them I don't want to be set aside.

They already made deals with Dior, Chan=I... My contacts are a value but they are a limited resource, I don't have infinite contacts so after I bring everyone I know they can make deals= keep the contacts and then kick me out.

No because if I ever get fired then they can still use them and make deals with them so I'm out and they make money out of my contacts. Even if I get fired they can still make deals and keep my contacts. So in the end I only lose in this story. Unless they give me a commission for every deal they make

they are paying you for those contacts. as a salary. =C2 the idea is that if you get fired your contacts will no longer do business with them. that's the stronger position
