Thanks- kind as usual, and appreciated. too short of = notice, but things are developing, and lets figure out how to steer thing= in good directions... more soon.

I'm probably going up to Joi=#39;s meeting at the end of the month, FYI. I get a good sense that he is =oon going to be making things happen in a big way, and I'm excited for=him and hope to be a part if I can add value.

I will also send Mart=n a follow-up note about some kind of a spot in his group that will allow = part-time base there for bigger things.

Joscha is a rea= find, amazing. If he can be encouraged to be a little freer in the imagin=tive space (rather than rules-based), it could be incredible....
