still waiting on 100kva transformer quote  
he quoted 100 kw =enerator as his vendor does not sell 75kw as discussed

i questioned denny on his prices and he said he has 2500 profit in pr=ce on generator to cover tropical and gross receipts tax

may be able to save a small amount if i negotiate everything in total as i believe his switch price is too high at 4,200

price from m= contact on 100kw generator (see next email) was 24,200

please advise  
thank you
