Rich -

I will need proof of payment and will also look forward to =eeing the balance sheet and summary of expenses.

As for how much Noam is spending, I really don't have any =ard data (as you know). I only know that before 2014 (or =hereabouts) he not only spent less than his annual income but gave =ubstantial gifts (and tuition assistance) to his children and =randchildren without diminishing his resources. That said, =ther factors may well be at play, such as reduced royalty income, =alary, honoraria for speaking engagements or other sources of income. =nbsp;I would be glad to learn anything more that would help me (for so =ong as I am serving as trustee) to consider increased distributions to =oam going forward (as I have said before).

Whether a judge would require Harry to resign in favor of =oam (as trustee) is not something I want to speculate on. As I =oted in our last call, I very much hope Noam realizes that any =uccessor trustee to me will have fiduciary duties to him and to his =hildren that will not change as a result of my resignation (or =emoval).

Max

they will request the 300k . 240 fed. 20 mass and 35 arizona.  
do you need proof of payment?  
you will be setting a balance sheet and list of past expenses.  
I have no idea where you got the idea that he is spending much more than before.  
I believe a judge will replace harry with noam, if it comes to that.  
it was carols original wish, and barrys emails speak for removal.
