Tim Oden square off design with fence to the east and existing lavender beds to north=

The distance from Existing Lavender beds to the NW corner is now 21.73' (previously 15.2');  
The North east corner will drop south 4'

The distance from the Fence to the outside of Western plant= beds will be 6' parallel

The design will now fit on existing platform with only minor fall at the North East corner.

Are you OK with these adjustments
