send . att=rney will revert with comments. i do not see the friday escrow money referenced? I will forward quite a few ques=ions .

for =xample only , many more to come

1C - 12 Month

2C-=24 month

3C- 36 Month

4C- 48 Month

6C- 72 Month

All of the=calendar items are due in June, 2016

FWD E-batt discard due=7/2016

: All Customer frequency items have been taken off the due list-= That includes E-batt BITE test and some other items. Main battery C=p checks were due 2/2016- There were notes in the WO's for check batte=y voltage, but nothing for the Cap checks.

Defibulator pads were life l=imited due 3/2016, maybe removed as a customer frequency item Gear blowd=wn bottle is due Hydro 5/2016.

No leeway, DOT requirement-

The Air D=ta Modules show having a 12 month check due 3/2016

2 Oxygen bottles (ma=n) are due hydro in September- a 5 year item.

The forward portable O2 i= due Hydro 5/2016
