Dear Boss ,

Thank you for motivating me for keeping my dream alive. I was on the verge =f quitting after working tirelessly towards my Doctorate programme for the=last two year due the advisor I have been assigned. Due to her lack of cor=ect guidance I am still stuck at the research proposal stage.

I would be deeply grateful, if you can help me look for another university,=similar to Middlesex University's standard which will enable me to=continue my doctorate programme. I think I could use the credits that I ha=e gained so far at Middlesex which will allow me to start off with the res=arch part. I am open to alter the current research topic if need be, howev=r I would like my research to be about women empowerment.

Please find attached the second draft of my proposal, incase you would like=to share it with relevant people.

Thank you for your support

Regards,
Aziza
