Pen,

I love y=u very much. I feel very hurt .. I was surprised t=at how upset i got. I wish you would have tried to calm me down and =elp me solve the problem .-accusing me of giving you, someone i love so mu=h anxiety in the midst of my drama felt terrible. I may have o=erreacted - but keep in mind that i have been being attacked in the street=and robbed in the past. , to see my driver take off very fast, with very v=luable things for me, and turn his phone off, was a pretty traumatic I for=me. I wish you had tried to comfort me . He only answered the phone =0 min later and was very rude to me. I ended up waiting outside your=place for him for another 40 min, he asked for money and said I should be =hankful he came back... t I wish you would have helped me and even more su=prised that i have not received call from you .

since it appea=s i am to deal with thiis on my own i think I will go to [REDACTED] for a few days. looking forward to our putting this behind us whe= i get back . what do you think?
