Stephen,

</=pan>

I've presented=your options and will be discussing with the bank today. In order fo= the bank to complete any transaction they have to complete their =9Cknow your customer" due diligence so the first question they're going to ask when I speak to them today is, "who i= the buyer". Could you please send me the link to your busin=ss website or give me as much information you can about the aircraft you=E2 ve owned in the past and general information about your financial position and where the funds for the purchase will be coming from. =u>

</=pan>

Thank you for your und=rstanding.

I think 18.5 is the right number I'd go to 18.6 if agreed quickly. as you are aware some other sellers are as anxious. but i prefer the low time. 343 was the 5000=only changed in jan

Mr. Hanson, =/u>

I have communicated your offer with the bank and they are willing to accept an offer of \$19m with the 144 month as part of your prebuy inspection. If this acceptable =lease let me know.

Additionally, I have searched N343DF and that registration is with a 2015 model Global 6000 that delivered in December 2015 to Derwin Acquisitions LLC in New York. Is this your company or perhaps is your Global 5000 a different tail number?

Thank you for your interest and I will look forward to hearing from you.
