The fire drill documents received =A0 should be the final nail in the coffin of Alan and Ada, . =C2 It is inexcusable, , ludricrous and in brads=words "insane "or yours, " unexplainable" =that the two people that you refer to as your estate attnys , NEVER EVER t=ok the time to actually read the documents that have the bigge=t efffect on your family and estate upon death or disablity, its imp=ssible!!! IMPOSSIBLE . after telling me that they were confid=nt that everything had been read , and after years , of you telling me tha= Im not an attorney, it is clear that my telling you that you have c=quality people was over generous, , I received a first draft o= the summary of documents. you should read them for yourself.=C2 . executive committee issues. , unclear tax. cont=adictory provisions,your reps having to rely possibly on a fall back=to delaware law to protect your interests, even suggesting tha= even if they would like to fall back , in some instances - no=case law. other crazy- provisions that are perso=al to you , instead of you and your successor ? two pages of =quot; open to interpretation" .or aha , maybe something is wrong! =A0 as ie, your rep, after death has no right for =nformation on BRH ? if you and another founder are dead , the exec commit=e has no decision authority, if josh and mark want to fuck your heir=, its easy, black family partner docs dont deal with suc=essionl YOU deserve better . fyi, after a =onth of brad ada and alan ,on the project, still not willing t= share with me a final, they are all embarrassed. and full of e=cuses .

It will take wendy and a new team =6 to 9 months to put your house in order. , new cash flows. =C2 new accounting system, airplane rethought, , you new hir=s can find deals , they can familiarize themselves with your current inves=ments , but should not be doing the accounting for them, .
