I realise I forgot to stress in my response to the apartments how extremely and forever grateful for all that you have done for me and do for me. There is not a day that goes by that I am not cognisant of the fact that everything I have here, my home, my food, my medical, my school, my support, are all through you. You could have stepped away long ago and you never did...

I know my mom feels this too and has been amazed by your kindness, care and loyalty towards me... I am forever grateful and you are forever loved..
