Thank you. I won't ask which one was more painful, but I assume it was not the literal one.

I forwarded you email list today to Jay and Eileen to compare to the original list I sent to insure we capture all items.

I told Jay they need to finish their work up and email it to me tomorrow for review so I can get it to you and Larry. Are you keeping the ledge and lower sidewall at the #2 tables "as is". Am I pricing out the Falcon 900 divan/ bed modification? Kindly let me know.

I am flying in the A.M. to LA and will review their list after I get situated their. Will be back in NY Friday.

Thank you for your patience.

Best Regards,

Eric
