Jeffrey!! Happy to read from you= Thank you, personally, you mean?

You are so funny with your passion for assistants. Where are you now?

I introduce you girls I know in New York! My other girls are in Paris, Zurich, Monaco... I want you to meet [REDACTED] and [REDACTED] from Zurich, [REDACTED] dreams about going to USA but when I sent photos you said you don't want to meet her. I can introduce you by Skype [REDACTED] my assistant, lol, she is super hot, blond, amazing lady, but again, she is in Monte Carlo! It would be easier when I am in USA.

Jeffrey, once you get in touch with [REDACTED] =we were skiing with her on my birthday in St Moritz 3 months ago), she is in NY now, she will bring you 5 new girlfriends a day if you want this.=Trust me. For New York - you can't hire better Madam than [REDACTED] -) <=r>Kiss!

I will do it personally, , I am disappointed that you have yet to produce assistants as part of our understanding. &nb=p; now that you are a lawyer i would have thought you recognized that an agreement had two sides, each with their own obligations. =3B)):

===== Dear [REDACTED]

=

= Thank you for writing. As we're very busy this time of year, email is usually the best way to get ahold of us.

=

= Although your response deadline lapsed a long time ago, we never formally withdrew your professional track application, so you could still accept admission now if you like. You can follow the steps listed in our email below to log in to our admitted students website, pay the deposit, and accept admission. After that it takes us five to ten business days to get your information entered into the appropriate campus systems, and you can then access the NIFOA in order to request your I-20. First year students will also start selecting courses at the end of March.

=

= Please let me know if you need any further assistance.
