Thanks for your note.

I totally don't agree with you.

The G550 2006 to 2008 is trading. 5114 with programs and 5000 is under contract for \$20.5M, 5011 on Engine program is under contract for \$19.25M and therefore, I have taken that price to establish the numbers that I provided. You are looking for below retail and the dealer to community won't let you reach out unless you Retail a dealer.

The crew rest is not a must, if you don't need it, what's the point of accounting.

Programs are easily accessible to purchase.

If you're interested, make an Offer.

I know you believe your prices are market. but it appears that they are high. 06 more like 18.5 with no crew rest and no program, and 5176 around 20. .&=bsp; everyone can hold to their prices but ,as you know =here are more coming on , and few selling. I will keep you advised. .
