Sorry couldn't call you yesterday. Will cat=h up today. Meanwhile, my people has a meeting yesterday with Gregor= Peterson. They drafted a proposal for him which I append below. =AO Should we forward this or request for a proposal from him? Will t=lk to you this evening.

Dear Mr. Peters,

It was an absolute pleasure meeting with you today and again thank you for mak=ng the time.

I just wanted to follow-up on out talks and the immediate future while everything is still fresh. </=pan>

I think it is clear that there are a few routes we could take, and even still= there is a huge opportunity for a 'pop up' style studio in the plaz=. In a sense, you would provide the location, and we, the equipment and brand. =AO

We could do this in a partnership-capacity and work out an arrangement for profit sharing. <=span>

As well, on a a related, but different note, we can easily see a partnership f=r my30minutes take on a path of its own - to service home training - or possi=ly cooperate with your existing app.

We want to hear your thoughts as well, especially regarding how your app or possibly a dedicated app can be managed.

Details would need to be sorted regarding many matters including which fees would we charge trainers, etc.=C2

We're ready to provide machines, starting straight away - either loaning them to you as part of a cooperation, or simply selling them to you as an alternative

I hope this email helped you understand some of our views and ideas and we would love to hear what you think.

Please get back to us soon. We are looking forward to doing business.

Thank you.=C2 I would suggest Jemima meeting then now and later when I am there, I=can meet them to. What do you think?
