airplane. . it is not complex complitcat=d or time consuming, no new consulants needed. no new ta= lawyers. it is standard procedure. your situaiton is no=different than hundreds of others , unlike your complex. estate plan= Since June, I have tried to explain to you that your o=fice as staffed and constrcuted , seems incapabale of producing =AO the most basic accounting and reporting accurately =C2 I only used the airplane as an example for YOU. =C2 memos. meetings .emails, meetings about emails. emails a=out meetings. refusal to turn over outside suggestions. . I had hope= this would enable you to see things as i do. . fyi, for two =ears I have kept joslin on board. the first time he wanted to =uit i paid his kids school out of my own money, to keep him. you ri=htly decided to modify that arrangement. only last sat he said =e was fine as long as I guaranteed that he woudl be treated fa=rly in the future , and not dismissed on a whim. he mentioned =e was told that geller was being brought in. I had not one pa=t in any negotiation to keep him ,this time./ that being said his reports =re fatally flawed, . confused , and as you may recall even as of las= oct . I had to review your returns myself for days..
