I have mentioned before the issues I am having with this lady - =ho I have known for many years - actually from when I had my hotel in Scot=sdale and she and her friends would hang around It has now gotten to the point where I am very concerned that I can't g=t her out of my life - it's not that I want to be with her - but it └=;s that she won't stop She is always coming to ny to see her friends where I'm always dodging =er not to mention how she has been holding me up in taking care of her - c=n't tell you the amount of money I have loaned her Both ████ and ████ here away last week and I can't tell you how much=I missed them - I would never want to be with out them- ever
I'm so distraught- I have been concerned for a while now but it's s=arting to really effect me   I can't have it ruin my life or=my children's
I love them so much - as I have told you often my family means everything t= me You have always been there for me - always been able to help me figure thin=s out - I need your help Let's discuss the next time I see you Jeffrey - I never want to be with out my family -- as a family Sent from my iPad
