Subject: Woodys thoughts on a jeffrey profile

A very interesting profile could be done because the stor= is so colorful.

Starting with the school teaching =background with a few anecdotes that project a teacher's salary into bi=lions is amazing to begin with.

Then the high=profile work with major international figures. The Florida scandal giving =our side of it-or-if that's too touchy then throwing it away as a set =ack to a career that continued in spite of it to the current life style wh=ch is fascinating. The properties and elaborate houses, the major charity =ork and patron to cutting edge science, the dinners at the New York mansio= with you sitting around the dinner table in sweat suit hosting utterly we=rd combinations for dinner-a scientist, a politician, a representative fro= a foreign government, a magician,Broadway comics-all mixed together with =ny number of come and go guests of all types. Then off on a private plane =he next day (with ex girl friend as pilot maybe) to advise some newly emer=ing nation on their economy.

All this paints = fabulously interesting picture of an amazing and totally unique life. =AO I can't imagine any journalist or writer of =ny sort passing up a chance to chronicle this.

If s=friendly, on your side about the scandal issue-could be relied on then a f=bulous documentary is also there.
