Greetings Sir,

John Woods called today. Paul Kalloo has left CZM - he is now working with John at Jaredian. He wanted to make sure that you are aware, and to see if anyone had reached out to inquire on the status of your two GSJ Minor Permits for Remainers A and C-1.

Per John, the permit reviews are completed, approved and are now awaiting signature - pending a site visit. Since Paul is no longer in the department, he does not want the permits to fall through the cracks. John also said JP Oriole may decide to conduct the site visit himself.

Would you like me or Erika to reach out to CZM for a status?

Respectfully,

Daphne
