La=ry,

If you want to do the 144 month inspection as part of your pr=buy and have the Seller correct the discrepancies than the lowest that we =an accept is \$19.0m. However, if you are willing to simply review th= recent prebuy inspection, do a short test flight and close, than we can a=cept the \$18.75m price that you have offered.

Let me know wh=ch you would prefer.

Thank you,
