I will answer your plane questions later. Suffice to say your ca=l the other day was debilitating and I am not as emotionally strong as I s=ould be. The=e does not seem to be a break to this spiral downward. Beyond depressed an= outcome bleak and also I feel that you are looking for an advantage in a =hess game and I am merely a pawn sacrifice. Brad said you boasted to LDB after Thursday's call. That =eally hurt me. And I am crying as I type this. I am not=best suited for this any more and will be taking a job at RSM. I now face two years tuition, = crazy ex, kids who barely speak and low pay Inf public accounting to supp=rt them. I would never egg you on. you told me two weeks ago that you t=ought there might not be a future for you. this was during our conve=sation re dagastino. you closed you door and asked me if we co=ld have a private conversation , i did as you asked, =A0 .

1. Attached is structure chart prepared by Akin
2. The plane is FAA registered currently with Rance. It is dated back to purchase date.
3. If plane were to be transferred from Rance to Avioneta, the transfer would take place in a sales tax free jurisdiction
4. The memo says that if LEON is owner and operates under Part 91, there is no NJ sales tax on Part 91 operations. Further there is no sales tax on transfer from Avioneta/ Rance to LDB. Both confirmed with outside counsel.
5. Where is the sloppiness?
6. Why are you egging me on to quit?
