Hi Jeffrey,

In couple of weeks we start making recordings for the CD with Naxos record company, so now we are intensely getting ready for that. Yesterday the pianist with whom we are doing the CD arrived to Vilnius, we will be rehearsing, giving concerts, getting consultation from professor etc. Besides getting ready for recording sessions that will start on February 25, we are also trying to raise money in order to cover the expenses related to this project: my violin reparation that was made specially for this recording as well as expenses of recording sessions and rent of the venue, as for all these things we have to cover the price ourselves.

At the moment this project is the only thing I'm living. We believe in it very much and hope that the release of our recording with such giant as Naxos records will bring us new opportunities.

How are you? Are you in NY at the moment?
Many many kisses!!
