lets talk today at your convenience. I would love to see you , and spend a couple of hours , noodling over alternatives , however, Its a huge holiday weekend in new york, (no staff) and I am currently scheduled to be and speak in Seattle . The financial markets here, are in turmoil and it looks like much volatility and dangerous uncertainty ahead. risk averse.!! diversification. it requires people in charge that have weathered severe storms. (like your boat captain) . I would love it, if I can host you in new york ,the following weekend, if that works for you. ♦=A0

It appears Kathy got an, up close and personal view of issues that you have on your plate. WOW. = recognize I also have ingrained male oriented views but I make it a point=to try to empower my women friends ie Didier will not respond=to a woman.

Didier is Didier. =marmy , clever, devious and dismissive. He was as you described. unfortunately , Kathy's role as bank legal. blunts the spear =hat he needs. .

Henri , unfortunately , does not engender the respect that you need. David, Didier, Kathy , all have the same view. , highly sycophantic , with keeping you happy his primary and maybe his only real goal. .

There =s wide consensus that i fear is correct, it appears Cynthia is=begining ? to suffer from Rothschild-itis. (you and I are aware of =he risks) she, is not you. ! ! she is an extremely competent accountant - cfo and a totally loyal employee/ friend? , She speaks with faux authority regarding subjects in which she has little or no experience , using the aura of your power .I suggest too many responsibilities, some in conflict. . We=need to find you the equivalent of your boat captain (s) dedicated to winning, experienced with storms , the unexpected , and someone who never takes his eye off the prize.

Rockefeller: Reuven Jeffery is making the process as slow as possible = They are waiting for their 2015 Numbers to be completed and will share them then - so earliest March. Other solution: I go to see Dick again in NY</=iv>

Monaco: we're in the last round with another bid : same bid at 140 and =egotiating the earn out clauses+ non compete . Seems there's a chance =e might get it
