Is he=on the 6 or the 6S? I don't recall offhand, I think the 6.  
=div>

If he's on the 6, I'd recommend upgrading to a new 6S, as it's a much better device.

If he's on a 6S, see if they can repair onsite, but the answer is probably no and we'll need to pay a bit more to swap the whole device. </=iv>

(The 6 they repair onsite, the 6S probably not -- usually takes 6 months before they start carrying the screen in stock, so instead of a screen replacement your getting a refurbished phone).

Either way, the phone needs to be backed up before taking it in. His laptop won't have enough free space for that, but any of the iMacs will.

He's not in town in this mess, is he??!!
