Just a heads up ☺...

I really didn't want to tell you because I know it's your birthday =eek but I also don't want you to get sick. I've been sick with the=stomach virus since this morning around 2am, It should only last a day or =wo so I should be back to normal by tomorrow morning.

CC was sick with the stomach virus on Sunday and she's great today, I s=ould be great by tomorrow morning.
