Hi

I've been thinking a lot about the [REDACTED] do think it would be in my best interest to sell it. As I said, the memory of you and I visiting that day will always be in my mind. For many reasons :))) Because I love you, I want you to have the chance to own it, if you would want an incredible piece of America. I'm sure it would be a great investment or even just a wonderful place to add to the list of your gorgeous properties.

I just don't have the time or desire to have it continue to take over my life. You tell me, I think it would be best for me to be liquid.

If the LGF, isn't your fancy, what about one of your clients or friends? Perhaps the Maktoum family. The farm is a major producer of big yields of soybean and corn crops. It would also be a magnificent place to raise horses.

The Gates have been buying up land around the LGF, however, it's hasn't been for sale.  
No one knows but you.

Thoughts please!!
