Where are we on this? We're not going to get the application done without them. I'm going to ask Mr. Biggs whether they will return the copies to us once we have completed the application process. The other thought is to encrypt them and only send them in electronic format. I believe that we can protect them so that they will be read only and cannot be printed or copied or altered. The link we will use to send them will notify us of when they are viewed or downloaded.
