Subject: Script for Blood Work

Dr. Fisch has sent the script for blood work to BioReference Lab. There =s no prep for the blood work, you can go any time. Tell the lab your =cript is in Dr. Fisch's folder. I called the lab and they do not =ake appointments ...walk in only...she says the best time to come and =ot have to wait is between 7:30am-9am...do not go at noon as it is =lways busy...they close at 5pm ...perhaps it is best you go early =orning (before 9am) Thursday?
